(?)
Not sure of the connection at this point. We had William DYMENT b1727 [618] married to Mary BRIGHT [619] and William DYMENT bc1730 [162] married to Margaret HANDFORD [163] but there is no real proof that this is correct from event dates. The wives were swapped so that the 3 generations of the name Grace appear in the same line. Starting with Grace GILBERT [165] = William DYMENT b1700 [164] they have a Grace [174] and their son William DYMENT [618] = Margaret HANDFORD [163] have a Grace
